User Stories

1. As a new user, I want to register using my email and password so that I can create a personal account.
2. As a user, I want to authenticate my account so that my personal data is secure.
3. As a user, I want to upload images with a short description so that I can share visual content with others.
4. As a user, I want to add hashtags to my images so that I can categorize them and increase discoverability.
5. As a user, I want to search posts by hashtags so that I can find content related to specific topics.
6. As a user, I want to like and comment on other users' posts so that I can interact with the community.
7. As a user, I want to see how many likes and comments a post has so that I can understand its popularity.
8. As a user, I want to edit or delete my posts so that I can manage my shared content.
9. As a user, I want to view my own profile with my uploaded images and basic stats so that I can track my activity.
10. As a user, I want to view other users' profiles so that I can explore their posts and decide whether to follow them.
11. As a user, I want to follow other users so that I can stay updated with their new posts.
12. As a user, I want to receive notifications when someone likes or comments on my images so that I stay informed.
13. As a user, I want to report inappropriate posts so that the platform remains safe and respectful
14. As a user, I want to mark images as favorites so that I can quickly access them later.
15. As a user, I want to get hashtag suggestions based on my image description so that I can reach a wider audience.
